Mr. Gabriel Waage
President
Czech Republic Softball Federation

Delivered via e-mail

Dear President Waage,

On behalf of the Softball Division of the World Baseball Softball Confederation I wish to congratulate you and your Federation on securing the right to host the 2019 Men's Softball World Championships in the cities of Praha and Havlickuv Brod.

The support for your bid to host the first ever Men's World Championships in Europe was overwhelming. We view this opportunity to host one of our premier events in the Czech Republic as an opportunity to grow the game of softball and deliver the best teams and players in the world to an avid spectator base that has shown great support for Men's Fast Pitch Softball at past tournaments and events.

I look forward to working with you and your team to deliver a memorable and successful World Championship in 2019.

Sincerely,

Ron Radigonda
Executive Director
